

Emmaus Village: Walking Together Towards Renewal

A SANCTUARY FOR
CONTEMPLATION,
COMMUNITY, AND CARE

Emmaus Village is a space for mindfulness and community learning, where individuals pause their busy rhythms to listen, heal, and reconnect with the meaning of life.

A Necessary Pause in a Busy World

Inspired by the "Road to Emmaus" story, we accompany one another through dialogue, prayer, and small daily acts. It is a place to reset the spirit away from the noise of daily life.

To listen without judgment.

To heal through connection.

To reconnect with life's purpose.

Our Mission and Core Values

Personal Accompaniment

Creating a safe space to look back and organize one's life.
Avenir Next.

Value: Presence — Being fully present for oneself and others.

Friendly Community

Listening without judgment and supporting each other through specific, tangible acts.

Value: Community — We are stronger when we walk the Emmaus road together.

Simple & Sustainable Living

Respecting nature and prioritizing 'just enough' in our consumption.

Value: Realistic Hope — Taking steps in small, regular, and measurable ways.
